About Us

Bär & Karrer is a leading Swiss law firm. We advise our clients on a broad range of business law issues. We are committed to delivering prompt advice and innovative solutions to our clients.

With more than 120 lawyers we regularly handle complex transactions and litigation providing a flexible and individualized service. For every project, we use specialized teams in order to efficiently assist our clients.

We serve clients ranging from multinational corporations to private individuals both in Switzerland and globally.

In a global economy, legal issues rarely stop at national boundaries; as a result, the majority of our work has an international component. We have an extensive international network of correspondent law firms, which are market leaders in their jurisdiction. Thanks to these close working relationships, we can seamlessly assist our clients on cross-border and international issues.

We have offices in the three main language areas of Switzerland (Zurich, Zug, Lugano and Geneva).

We kindly invite you to learn more about us by browsing this website or by contacting us by phone or e-mail. You may also download our brochure in English, German, French or Italian.

Bär & Karrer has been voted as "Swiss Law Firm of the Year 2010" in the PLC Which lawyer? Law Firm Awards 2010. In a client quote, Bär & Karrer was praised to be "very committed to getting our deal through" the client being "impressed with their professionalism".
