## Practice Areas

We are one of the leading Swiss law firms advising clients on a wide range of areas of law:

- |                                                     |                                   |
|-----------------------------------------------------|-----------------------------------|
| Arbitration                                         | Life Sciences                     |
| Banking, Insurance & Financing                      | Listed Companies                  |
| Capital Markets                                     | Litigation                        |
| Collective Investment Schemes & Structured Products | Media, Entertainment & Sports     |
| Competition Law / Antitrust                         | Mergers & Acquisitions            |
| Energy & Natural Resources                          | Notarial Services (Zug Office)    |
| General Corporate & Commercial Matters              | Privacy & Data Protection         |
| Intellectual Property & Technology                  | Private Clients, Trusts & Estates |
| Internal Investigation & Crossborder Proceedings    | Real Estate                       |
|                                                     | Reorganization & Insolvency       |
|                                                     | Tax                               |

We follow a multi-specialist approach. Our lawyers are typically specialized in several practice areas. We provide inter-departmental training and development programs open to all lawyers in our firm, ensuring that our lawyers are not only able to provide legal advice within the scope of their specialized areas but can also identify all other issues related to the matter they are handling.
